Dear Parents & Pupils,

This booklet has been produced to try to ease the many problems caused by our move to Battersea. It is a very difficult time for all of us but, in no way, should this move be allowed to upset either pupils or parents.

We have put into this booklet as much information as we have to hand at the moment. After prolonged discussion with Divisional Office a report has been submitted to County Hall with requests for financial assistance with transport to the new school site. The results of this report are awaited and I shall inform you all immediately I have any news. Please ask your sons each day whether they have been given any letters at school as so often they do not reach home.

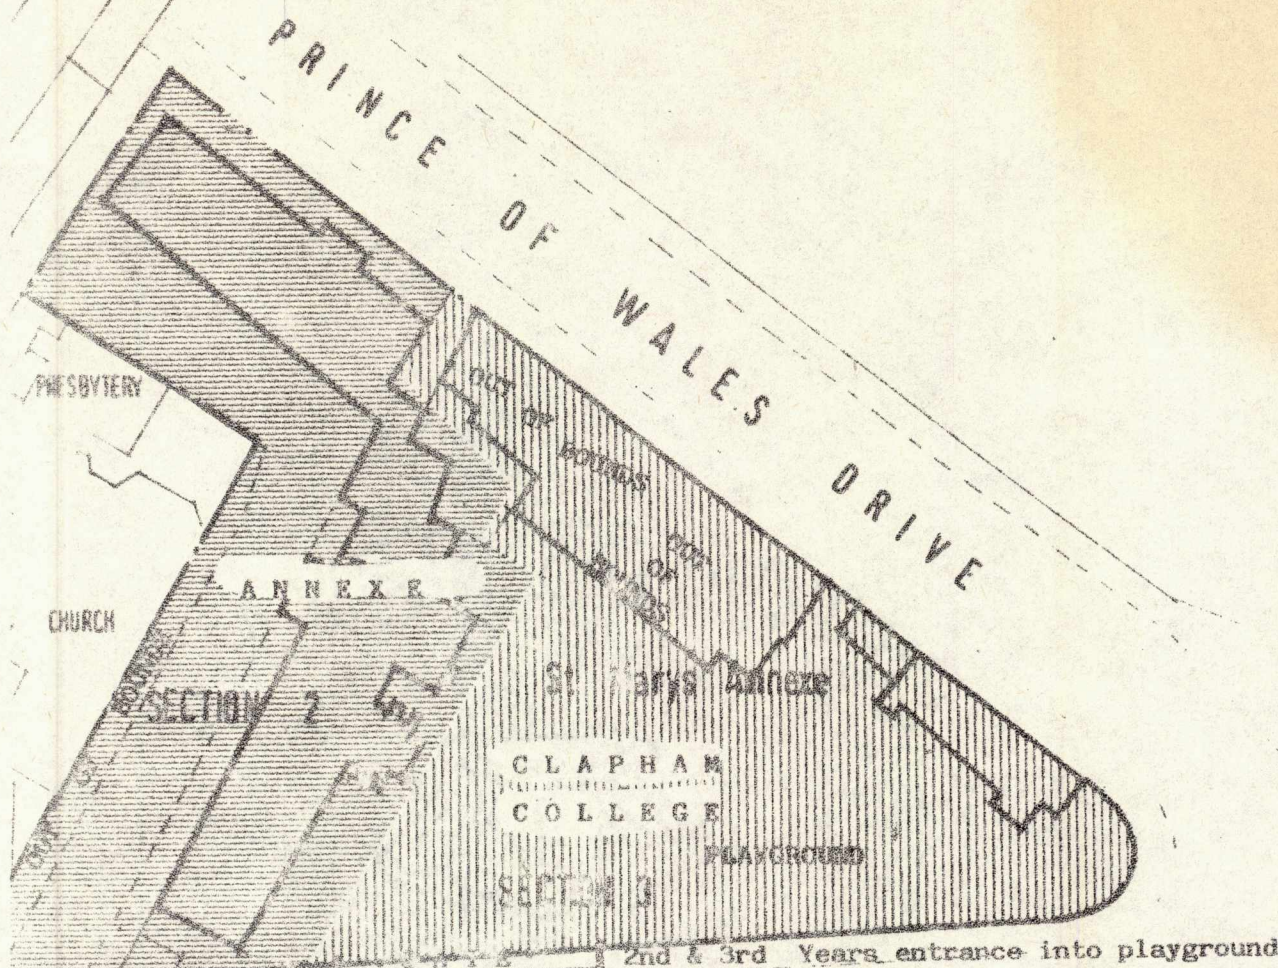

I shall be sending a letter to all of you during the last week of school which will contain any extra information needed prior to the re-commencement of school in September.

Yours sincerely,

A handwritten signature in cursive script that reads "R.W. Sparks". The signature is written in dark ink and is positioned above the typed name.

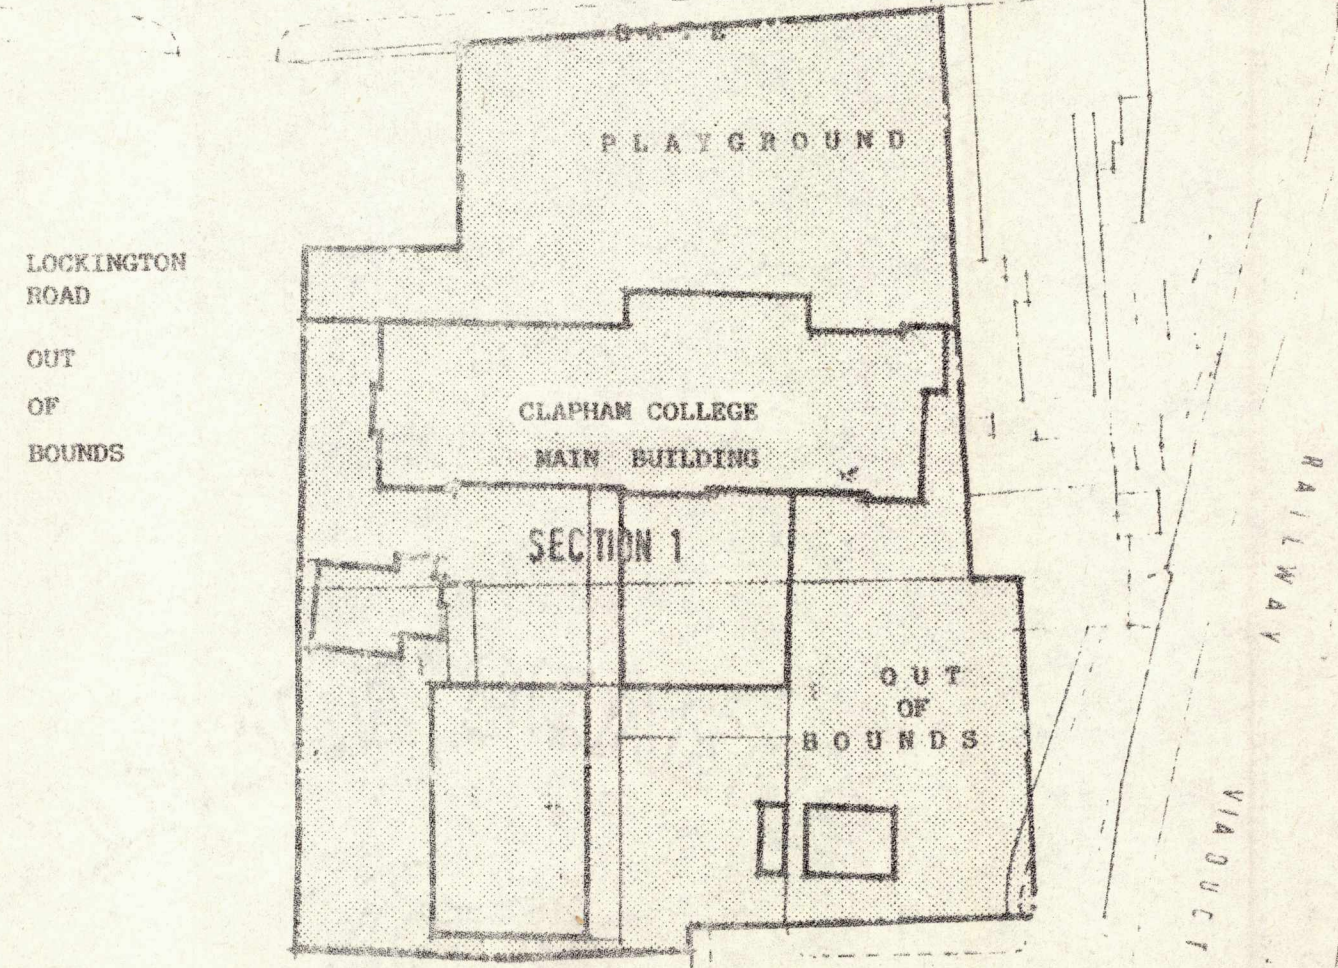

R.W. Sparks.
