CHRISTMAS DRAW

PRIZES!

CHRISTMAS DRAW

The Christmas Draw this year has one of the most attractive first prizes we have ever had - an automatic food mixer. We hope that this will help you to sell the enclosed four books so easily that you will be running back for more.

The Draw last year produced just over £140. which was divided equally between COXA and the College Building Fund.

Donations towards the list of prizes in cash or kind would be most welcome. If you can help in this way please contact Brian Sanders (NEW 4430), who is organising the prizes, and let him know what or how much you wish to contribute.

If you cannot sell the tickets - get others to sell them for you. In the office, sisters, parish priests, secretaries, aunts, mothers, are all good for a ticket or two!

SPORTS EVENING

INTERNATIONAL STUDENTS' HOUSE

SPORTS EVENING

In view of the excellent facilities offered at the I.S.H. it was rather disappointing to see so few members turn up. The members who played snooker and billiards would probably wished they hadn't turned up but the frames were lost in the true spirit of the evening. Ample revenge was obtained by our brilliant table-tennis team led by Chris "Top Spin" Smith. The team result hinged on the darts match and the way the darts were thrown it seemed that the games would continue all night. At long last however it was a victory for the visiting team 2 - 1 on competitions. A return match has been offered and will be accepted. More details later.

It is proposed to organise a golf section and if anyone is interested would they kindly contact John McGuire at 11 Rydal House, Union Grove, S.W.8. or during the day at 01-242 3736. The first round (mine's a Mackeson) will be in early December at Addington Golf Course. Clubs can be hired for a small fee and provided you don't lose too many balls it should be a cheap day's entertainment. A time will be booked for teeing off so if anyone is interested would they let John McGuire know as soon as possible.
