CAREERS EVENING

CAREERS EVENING

This year the Careers Evening is to be held in the College on Thursday, March 6th. from 8-10 p.m. Most of the stalwarts who have helped us in the past will be contacted and asked again to come along, but we are taking this opportunity to make a general request for assistance.

The Careers Evening, a highly successful and much appreciated function organised by the Association, has now been running for a number of years, and there is perhaps a danger of its becoming a little stereotyped. We welcome the opportunity of showing new faces and new interests. Anybody who feels that he could be of any service at all on that evening, or anyone seeking further information about what is entailed should contact Brian Sanders at the College or at 19, Limesford Road, S.E. 15. (NEW 4430). Please do this as soon as you can since it is imperative for us to know in advance who is coming and what careers will be represented.

CHRISTMAS DRAW

RESULTS

CHRISTMAS DRAW

You will find enclosed a list of prizewinners in our Christmas Draw. Thanks to a very fine effort on the part of the College and the generosity of some members of the Association who donated prizes, we realised a nett profit of some £160, to be divided equally between our own funds and the College Building Fund.

Our thanks are due to all who bought and sold tickets, especially those who wrote to the promoter asking for more!

POP HOP

POP HOP

Preparations are afoot for a dance aimed at the younger members of the Association and College Sixth Formers with invites to local girl's training colleges and sixth forms. It is hoped to have a well known group and a supporting group to supply the beat.

Provisionally the date has been fixed as Friday 2nd. May at the College....tickets probably five bob each. If you think you qualify

to be present at this unique happening, watch this space for final details.

Saturday, 12th. April.
Washington Hotel, W.1.

Annual Mass

The attendance at the Annual Mass in November must have been one of the highest on record. It was good to see not only so many Old Boys present, but also their families, to give this worthwhile annual event a real meaning.

Associate Members

We should like to remind our Associate Members that all the activities of the Association are organised for their benefit as much as for the Old Boys. Those who have the time and would like to make new friends will receive a warm welcome.

Boxing Day

The traditional Boxing Day gathering was not quite its usual success. Only two six-a-side teams braved the day at Norbury, although a good sprinkling of spectators watched from the clubhouse bar.

Christmas Dance

A good crowd enjoyed themselves at the Park Tavern to start the Christmas Season. For the second year running nearly 150 people came. A success socially and financially.

STAG NIGHT

STAG NIGHT

Following the monumental success of last year's 40th. Birthday stag night it was unanimously decided to turn it into another of the Association's annual spectaculars. So get your diary out again and jot down the particulars.

This year we are experimenting with a venue in town. The place is the 'Brown Bear' 179, High Holborn, W.C.1. The price of 10/- will include a sausage and mash supper to prepare the ground for the more important part. The time is 6.45p.m. for 7.15p.m. on FRIDAY, 21st. February. Please come prepared to sing but first return the slip below, and pay on the night.
