**Home team captain and players should maintain close contact especially towards the end of the week. In view of the wet conditions all home games may be switched to Purley Way. It would be a good plan if the home teams could make arrangements between themselves to pick up nets and corner flags from the clubhouse in the event of having to move games. Our oppositions have already been warned of the potential change. **Please ensure that someone has keys!!!****

### **Flat Share Required**

Gentlemen, Is anyone looking to share a flat in Clapham North with my very charming son?.He has just bought a flat and has been let down at the last moment and is now on the prowl for a flat mate. He is also a decent footballer and one you should talk into playing for the club, he's better than his dad.

I fully expect the usual banter, but if you can help him to help you, everyone is a winner!

Norbury Gates: Please ensure that the last on the leave the Clubhouse closes the side gate. If you are the last to drive your car out of the ground **CLOSE THE DOUBLE GATES.**
