Hello Mr. Pocock,

We are gathering this weekend, August 12-14, 2016, to celebrate 50 years since our graduation from Greendale High School. We don't know where all the years have gone. We are thankful that we are here, spending time with old friends and catching up on each others' lives.

We are thinking of you this weekend. We have fond memories of you teaching history and helping Mr. Koehn with the musical. You were a great asset to Greendale High School during our senior year.

~~We marched in the Greendale Village Days parade on Sunday. Along the way, we saw Ms. Mary Quirk, who also taught at Greendale High School. She was watching the parade and enjoyed all of us saying "hi" to her. Do you remember her?~~

I hope you are feeling well and finding some joy in each day. Remember there are many people here in America thinking of you and praying for you.

God bless you.

Sincerely,

Barbara Scheftner Birmingham Lauby
