

Dear Brian,

Please excuse this very long delay in my thanking you for inviting me to attend the various Clapham Xaverian Centenary events. It was a great experience to get back in contact with my roots and so many people I'd not seen for so long. Thank you for all the hard work and commitment you and others on the various committees have shown over the years. Those of us who have disappeared out of sight for ages have benefited by your constancy!

I really enjoyed the two Masses I attended plus the buffet and Centenary Dinner. The quality of catering was excellent and a credit to all your hard work. Don't hesitate to let me know if I can help in any way.

Your brother,
