

**Subject:** Ron Westwood

Just adding to the piece that Ron wrote - Ron enjoyed his retirement with his wife Nora until she died unexpectedly and suddenly in August 2010. He stayed in the home they shared for 50 years until his frail health necessitated a move to a nursing home in 2013. He died there peacefully on 22 November 2017. His funeral service was held at the Church of the English Martyrs in Hurley, where he and Nora had been married and where he was an active Member for so many years.

- Thanks Don, no problem.

Just to let you know that the Summer/ Autumn 2018 issue of Concordia (Number 15) was sent to Ron at Park Ave – please could you remove him from the list?

I had a good look through it, but I could not see his picture and eulogy? Maybe it is going in the next one?

Thank you Sue

I do hope you received the eulogy attachment I sent you? Here is a photo of Ron, from Summer of 2001.

It will be nice memory to have a copy of the Concordia with Ron's eulogy and picture in it. Thank you.

Best wishes

Sue
