Reverend Brother Superior,

The Holy Father has duly received the liberal gift which you and your Religious have wished to place at His disposal, on the occasion of His eightieth anniversary, as an offering towards the construction in Rome of an International house for students.

Entrusting to me the honoured charge of acknowledging this highly appreciated gift, His Holiness bade me convey to you also the expression of His heartfelt thanks, and the assurance of His prayers that God may amply recompense your filial devotion, loving attachment and warm generosity.

In further testimony of His benevolent thankfulness, and to invoke that heavenly reward, the Sovereign Pontiff bestows from His heart upon you and your Religious, your families and benefactors, His paternal Apostolic Benediction.

With sentiments of religious devotion, I remain

Faithfully yours in Christ,

John Paul Jones
Subsecretary

Reverend Brother Superior,
