## COXA FOOTBALL NEWS SHEET

We thought that it was about time that the football section of the Old Boys' had a news-sheet of its own. So here it is!! RONDO No. 1!!!

We would like to say "HELLO!" and tell you something about it.

Rondo will be coming out monthly (we hope!!) bringing you up-to-date club news, the progress of the teams, league tables and goalscorers. Each month we will feature a 'Personality Parade'. For this first edition it should have been the infamous, long-serving Club Secretary Derek Rowe. However, due to the fact that he is tied-up with his work, both night and day (can he go on like this?) we were unable to obtain an interview. All will be revealed next month.

### GOING PLACES?

Featured this month is "GINGER'S". If you don't know who Ginger is find out on Page 3.

Fill in and return the 'Player of the Month' slip on Page 5.

Please send us letters giving your views and comments, on any aspect of the club. We will be only too glad to receive them.

Go ahead now and enjoy "Rondo!". After reading either save, eat, make paper aeroplanes or use as toilet paper (its of the finest quality).

The 1st XI, after last season's great effort in the AFA Surrey Junior Cup, were bundled out at the first hurdle this year, followed by an early dismissal in the LOB Cup, going down 3-2 in a home replay. Their league position is not a true reflection of their form this season, most defeats being by the odd goal. It was a great shame to hear of Col Garvey's resignation. Let's hope Alan Fulker can bring the desired results in the second half of the season. The team has been strengthened by the return of Tony Gray and the inclusion of new boys John McNicholas and Mick Duffy.

The 2nd's record speaks for itself. Six league wins out of six and John Mansi led his team to a great victory in the LOB Cup against a team two divisions higher earning a mention in the league's December Bulletin. All the members are playing very well and the spirit is running higher than ever. Perhaps a special mention should go to Paul Hixson who is having his best ever season.

The 3rd XI started well but the old old tale of drop-outs has led to changed teams and inconsistent performances. With a regular team Tony Cleather could lead his team up the table and be challenging for honours, where they should be. They are still in the LOB Cup after two resounding victories and let us wish them every success against EBOG in the next round.

GOALSCORERS.

- 15 Paul Hixson.
- 10 Pete Brown and Ernie Iarkin.
- 9 Vic Roszkowski.
- 8 Dave Burnham.
- 5 Pete King.
- 3 Tom Duffy, John McGuire, Terry Price, John Ryan, and Gerry Taggart.
- 2 Alan Fulker, Tony Gray, John Mansi, John Murphy and Dick Nailen.
- 1 Wilson Bowers, Aiden Coletta, Mick Collins, Gerry Crowley, Mick Duffy, Mick Galtrey, Frank Hixson, Mick Magee, and Pete Wills.

These are league and cup scorers this season.

WE WOULD LIKE TO WISH ALL OUR READERS A MERRY CHRISTMAS.

PLAYER OF THE MONTH

My nomination for player of the month is.....

Please tear off and return to Editors.

Genial 24-stone Ginger runs a salubrious fish-and-chip shop in a humdrum corner of Herne Hill. Gingers is that haven of sheer delight for the leg-weary members of the COXA training squad on a Tuesday night. Ginger, 19 stone 7lbs, claims "This plaice is batter than any other this side of the Dogger Bank".

#### ROCK & SOLE MUSIC.

Ginger, 21 stone 4ozs, a communist sympathizer, offers exceptional value for money attracting the famous from all over the world. People have been known to cross the road for Ginger's fish. Ginger says that none of this would have been possible without the invaluable aid of my trusting assistant John, who serves up the fastest chish and fips in the west. We asked him what effect Common Market entry would have on trade; Ginger, 162 kilos, replied "Cette plaice est batter then any autre ce cote de la Doggeur Banque, mon brave".

#### VINTAGE CARS.

Yet life is not all work for 14 stone, tree-climbing Ginger and his able assistant George. His interests include pearl diving, bible translations, the Who, heart-transplants and Maralyn Monroe.

His ambition is to be a bus-driver. (Ctd. on page 117).

SKIPPER JOHN BREAKS SILENCE.

After last Saturday's sixth successive league win, quietly-spoken John Mansi staggered the football world with his two 2nd XI targets for the season. His first aim is to beat the record run of 14 consecutive league wins by the table-topping 2nds of 1968. His second aim is 100 league goals by his team this season.

YELLOW STREAK.

When asked for any comments controversial tight-lipped team manager Tad Ciechanowicz, 42 replied with knowing smile "We are only looking as far as the next match". John Mansi, who can really hit 'em, threatened to buy every club member a beer if these aims are achieved. John "I can get you some dirty pictures" Mansbury claims his team are willing to die for him on the field. Tad Ciechanowicz is 39.
