

The Community Education programme has now closed. We would like to thank the hundreds of adult learners who have supported and appreciated this aspect of education at St Francis Xavier College and hope that many of you will continue your association with the college in classes being offered by our excellent tutors and administered by them. For more information, or to be put in touch with the tutor, please email lettings@sfx.ac.uk

Premises for hire

We also hire out our excellent premises and facilities for parties, events, conferences, reunions, sports clubs and are pleased to welcome local organisations who run their own programme of classes from SFX.
