Dear

We are trying to build up the young members section of the Old Boys. A start has been made with the "Pop Dance" which we ran very successfully at the College.

Our next venture is a Folk Evening on Friday June 20th. at "The Butts", Elephant & Castle. The Old Boys are subsidising this evening, so that it will cost you only "5/-" and that includes your entrance and a 'magnificent' buffet!

Please let me know on the tear-off slip whether you will be coming or not.... Why not take this opportunity of paying your subscription?

Your membership of the Association means that we can run more of these functions. It also gives you use of the Association's Football, Cricket and other sections and you receive our Newsletter and Magazine.

For 12/6 you are in clover!

Please send your subscription with the tear-off slip to me at the above address.

Yours,

Danny Doyle.
