

Clapham College,  
63 South Side,  
Clapham Common, S.W.1.

Dear Parents,

At last the day we have been waiting for has arrived. The contractors are handing over the new school buildings to us on Friday, February 27th. We shall begin to move in on Monday, March 1st. To make the transfer easier we are staggering the entry of the boys as follows :-

Monday, March 1st	8.43 a.m.	1st forms only
	1.20 p.m.	1st & 2nd forms
Tuesday, March 2nd	8.43 a.m.	1st, 2nd & 3rd forms
	1.20 p.m.	1st, 2nd, 3rd & 4th forms
Wednesday, March 3rd	8.43 a.m.	The whole school

School lunches will be provided on Monday & Tuesday, but it will help our arrangements if only those boys present during the morning sessions receive them. All boys should enter the school by the main entrance in Malwood Road and make their way to the playground. Prefects will be on duty to direct them.

All school text books and exercise books should be taken home during the week beginning Monday, February 23rd. Desks should be empty by the Friday morning except for such books as may be needed for that day's classes.

A sketch plan of the new building is being supplied to each boy. We hope to take each class on a separate tour of the building during the transfer week.

Please note that the telephone number of the new school is 673 - 7122.

We hope that the transfer will be smooth and easy. Of course, there will be problems but, if we receive the full co-operation of parents and boys, we will be able easily to overcome them. Know that that co-operation will be freely forthcoming.

Yours sincerely,

C.I. FOGGIE,  
Deputy Headmaster.

P.S. Please read the appended plan and meals' schedule carefully.
