Dear Scotty

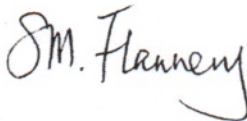

I would like to offer to you my sincere thanks on behalf of SFX College for your generous donation to SFX College to support the refurbishment of the Chapel. Having the Plunkett Chapel as part of the SFX Estate is a very special legacy for us and this is enhanced by the knowledge of its unique significance to you as former pupils of Clapham College. I enclose a certificate of recognition and I am also arranging for a framed note to be mounted in the Chapel to acknowledge the generosity of members of the Clapham Old Xaverians' Association.

Individual donors have made enquiries about whether or not these donations can be treated as Gift Aid by HMRC. This is, indeed, possible. If you are a UK taxpayer and wish to have this donation treated as Gift Aid we enclose the appropriate declaration and a stamped addressed envelope for return to the College.

Finally, we have been delighted by the interest shown by Old Xaverians in offering coaching, mentoring and/or employment links to our students. We are embarking on "auditioning" those interested to ensure that we achieve good matches with reliable students.

Once again, a huge thank you to you from all at SFX.

Warmest regards

Stella Flannery
Principal
St Francis Xavier Sixth Form College

CERTIFICATE OF DONATION

The students, staff and Governing Body of St Francis Xavier Catholic Sixth Form College would like to thank you for your generous donation towards the refurbishment of the Oliver Plunkett Chapel. The Chapel was part of the Estate of Clapham College School for Boys (1945-1975) and is now incorporated into the estate of St Francis Xavier Catholic Sixth Form College.

This acknowledgement recognises the contribution of

Scotty Macdonald.

a former pupil of Clapham College and a member of the Old Xaverians' Association.

Your friendship and support of the St Francis Xavier educational community is valued and assists the College in furthering its Catholic mission and its work in fostering cohesion across the many different communities which it now serves.
